1990 ACTIVITIES PROGRAM

Activities are held on the THIRD Sunday of the Month, meeting at 1.30pm at the nominated location.

- FEBRUARY 18th: Weed out purple top verbena, continuation of the patch started last year. Meet at the end of Tebb Tce.
- MARCH 17th: N.B. A SATURDAY - Yinnar South aountry Fair. We will again assist C.F.L. and the fair committee.
18th: Remove hard rubbish from 'workshop' and other areas along the creek. Meet at the end of Tebb Tce.
- APRIL 15th: Tree planting (start of the great revegetation), beginning at the lodge/workshop area. Meet at the end of Tebb Tce.
- MAY 20th: Tree planting - continuation from previous month
- JUNE 17th: Track clearing - rediscovering an old track running up Side Creek from the workshop. Meet at the end of Tebb Tce. Committee Meeting to be called to review budget. Everybody are welcome to participate.
- JULY 15th: Tree planting -there are plenty of areas and Rob has lots of trees. Meet at the end of Tebb Tce.
- AUGUST 5th: ANNUAL GENERAL MEETING & Special General Meeting. Please make the effort, it would be great to have every one along. Meet at the depot garage - 1.30pm - plate please.
19th: R. & R. Day (you could do with one) Walk, Talk & Gauk. Lets explore the flora of our park. Meet in Fosters Gully.
- SEPTEMBER 16th: Koala Survey - Lots of eyes needed for best results. Meet in Fosters Gully.
- OCTOBER 20th: N.B. A SATURDAY - Visit to Churchill/Lysterfield Lake N.P. The proposed plan is to explore Churchill N.P. in the morning, proceed on to Lysterfield Lake for picnic lunch before meeting with the friends group on their regular monthly activity. A spotlight walk has been arranged and we are invited to stay on and join in. Final arrangements re transport will be made closer to the date.
- NOVEMBER 18th: Koala Survey & Butterfly orchid survey - Those particularly interested in the orchids please contact Ken. Meet in Fosters Gully.
- DECEMBER 16th: B.B.Q. & Spotlight walk - BYO meat and drinks plus salad & sweet to share. Meet in Fosters Gully at 7pm.
- JANUARY 1991: Seed collection - date to be arranged in December, depending upon seasonal influences.
